Warranty

- When the word "Container" is used in this specification, it is defined as a complete unit including base, lid, wheels, and hardware. All 300 gallon containers furnished shall be fully (100%) warranted for a period of two (2) years against defects including but not limited to: cracking, chipping, peeling, and distortion: failures at attachment points for lids, hinges, wheels or other points of attachment; weathering degradation, defective or insufficient material; poor material workmanship on the part of the manufacturer.
- Defective containers which are replaced under warranty provisions shall be replaced as complete containers, i.e. with lids provided. However, if only the lid should fail, then only the lid shall be replaced. The seller shall not be responsible for damage or destruction caused by fire, vandalism, abuse, neglect, misuse, or acts of God after the containers have been delivered and accepted.
- In addition to any warranty implied by fact or law, bidder expressly warrants all items to be new, free from defects in design, material and workmanship, and to be fit and sufficient for their intended purpose.
